About the Workshops

These League Water Operator's Training Workshops are designed for all water and wastewater operators who are dedicated to the water industry by keeping in stride with the latest in water/wastewater industry regulations and technology. We also would encourage attendance of all city officials such as city council members, board members, superintendents, etc., in order to gain further knowledge about the rapidly changing industry.

Credit toward recertification for water operators (Grades 1-4) – 5.0 hours and wastewater operators – 5.0 hours for attending a day-long seminar.

Registration and Fees

Participants are welcome to preregister no later than one week before attending the workshop of their choice. Registration also will be available at the door on location of the workshop. Fees for the workshops are \$65 per person for members and \$75 per person for nonmembers which will include learning materials and lunch. Fee may be prepaid or directly billed. To use the direct billing option, fill out a registration form and we will bill you or your municipality.
