LEAGUE OF NEBRASKA MUNICIPALITIES  
1335 L STREET  
LINCOLN, NE 68508

**2023**

## **RUBBER GLOVING WORKSHOP**

Sidney  
August 29-31

Presented by the  
League of  
Nebraska Municipalities  
And  
Nebraska Rural Electric Association  
*in cooperation with*  
Northeast Community College

## 2023 Rubber Gloving Workshop Dates and Location

**August 29-31**

**Sidney Wheatbelt Training Field  
(north of water tanks)**

Time: 8 am-5 pm (Tuesday and Wednesday)  
8 am-Noon (Thursday)

Participants should report to the **training field** each morning. Participants will be assigned to a work group prior to resuming to the field. Any special needs or considerations need to be brought to the instructor's attention prior to starting. If a participant becomes ill or has to leave the school, they should contact his or her group instructor and/or one of the program coordinators.

**Note: Each participant should provide their own personal protective equipment such as hardhat, safety glasses, rubber gloves and sleeves, safety harness, along with personal tools. NO TENNIS SHOES will be allowed in the training area, work boots are required.**

Dismissal

## About the Workshop

**Who Should Attend:** This workshop is designed to offer instruction to all levels of experience from just hired, to apprentices, intermediate and journeymen level.

**Registration Deadline is Aug. 1:** Fees for the workshop include lunches, breaks and training supplies. Fees may be prepaid or directly billed. To use the direct billing option, simply fill out a registration form and we will bill you or your municipality.

**Due to limited stations/instructors, only 30 total registrants will be able to participate. The advanced sessions are limited to the first 8 registrants.**

Send registration to:

**League of Nebraska Municipalities  
1335 L Street  
Lincoln, NE 68508**

Fax: **402-476-7052**

Email: **info@lonm.org**

**Roll may be called intermittently for attendance purposes. Certificate of attendance will reflect only their participation time.**

# 2023 Rubber Gloving School

## Tentative Program

### Beginners:

The beginner's section is for those individuals with very little exposure/experience. This section will cover the basics of rubber gloving and line work.

#### Discussion Points:

Importance of a job briefing, and complete one for each new job during this training

Proper care of equipment and cover-up

The amount of cover-up needed for different jobs

Selection of tools and cover-up for the job

Inspection of equipment (includes PPE)

Truck inspection

Truck positioning and set-up

Proper grounding of trucks/equipment

Use of an extend-o stick/shotgun

Use of wrap locks/armor rod/ties

#### Work/Jobs

Insulator change-out (pole top and cross-arm)

Cross-arm change out on single phase

Bell change-out on single phase dead-ends (pole and arm)

Single phase pole change-out

Changing out a transformer on an energized pole

Other activities will take place, as time permits.

## **Intermediate:**

**This section is for those individuals who have experience, rubber gloving. They will cover situations that utilities deal with on a day to day basis. This group will be discussing different ways to do a job and then decide on the best method that will apply in their particular situation.**

### **Discussion Points:**

Complete a job briefing for each new job

### **Work/Jobs**

Inspection, set-up and general training on Digger Derrick and Bucket Trucks

Classroom on electrical apparatus (Regulators, Breakers).

Hands on training with a Transformer Trainer

Changing out a transformer using methods other than a bucket or digger derrick.

Change out “field side insulator or bell” while set up on the road.

Other jobs may be added/substituted for the ones listed above.

## **Advanced:**

**This section is for those individuals who have extensive experience in rubber gloving. They will be performing tasks that aren't routine. They will use their experience and knowledge to “think outside of the box” on more complex jobs and decide on the safest and best method to perform the task at hand.**

### **Discussion Points:**

Complete a job briefing for each new job

### **Work/Jobs**

Change out a three-phase dead-end and an angle structure energized

Change out crossarms on different structures energized

Change out a cutout and an arrester that are mounted on a riser pole or on a three-phase bank, keeping the primary underground energized or bank energized.

Other jobs may be added/substituted for the ones listed above.

12:00 - 1:00 p.m.	Lunch
1:00 - 5:00 p.m.	Field Work

## Wednesday, August 30:

<b>7:30 – 8:00 a.m.</b>	<b>Coffee and Rolls</b>
8:00 - 12:00 p.m.	Field Work
12:00 - 1:00 p.m.	Lunch
1:00 - 5:00 p.m.	Field Work

## Thursday, August 31:

<b>7:30 – 8:00 a.m.</b>	<b>Coffee and Rolls</b>
8:00 – 11:45 a.m.	Field Work
11:30 – 12:00 p.m.	Clean up, Discussion, Evaluation, Dismissal

The Rubber Gloving School is scheduled for August 29-August 31, 2023, at the Don Winkelman training field, north of Sidney. The school will be limited to the first twenty-five people who register.

**Please have your registrations turned in to Rob Pierce with the League of Municipalities, no later than Friday, August 11, 2023.** After that date, there is no guarantee that you will get in the class. The workshop cost includes two noon lunches, refreshments, and supplies for the school.

There will be three sections: Beginners, Intermediate and Advanced. The Advanced Group will be limited to the first eight persons signed up (the total between the League and MEAN), so everyone has a chance to participate.

Sign up your employees accordingly, after reviewing the enclosed description of the jobs to be performed in each group.

***NOTE: Each participant shall bring their climbing equipment.*** This is a change from previous years. We are exploring new training opportunities to enhance the knowledge and skills of the attendees. The following list of items need to be brought along in addition to the climbing equipment.

- |                                 |   |
|---------------------------------|---|
| 1. Long sleeve Shirt            | 2. Personal Hand Tools                    |
| 3. Aerial Basket Safety Harness | 4. Lineman Work Boots                     |
| 5. Rubber Gloves/Sleeves        | 6. Hard Hat, Safety Glasses & Work Gloves |

Participants should wear their regular company uniforms/work clothes and lineman boots while participating at the school.

*Room blocks have been secured at the following hotels. Please mention that you are attending the Rubber Gloving School, when reserving your room(s).*

Hampton Inn and Suites (308)-254-2111  
Fairfield Inn and Suites (308)-254-9000

Another motel option is Comfort Inn (308)-830-7691
