## About the Workshops

### Who Should Attend

The Wastewater Workshops are designed for water and wastewater operators and related fields dealing with wastewater operations. We also encourage attendance of all city officials such as city council members, board members, superintendents, etc., in order to gain further knowledge about the rapidly changing industry.

Credit toward recertification for **wastewater operators – 5 hours**, **water operators (Grades 1-4) – 5 hours** and **water operators (Grades 6) – 1.5 hours** for attending the day-long seminar.

### Registration and Fee

Registration also will be available at the door on location of the workshop. Fees for the workshop are **\$55** per person, which includes lunch and learning materials. Fee may be prepaid or direct billed.

To use the direct billing option, simply fill out a registration form and we will bill you or your municipality. We encourage this billing option because storms may increase the risk of cancellation.
