apprentice training credits

Engineering credits may also be earned

About the Workshops

Who Should Attend

The Safety Training Workshops are designed for **all** water/wastewater operators, natural gas, and electric technicians along with parks and street department workers dedicated to a safe workplace. We also would encourage attendance of all city officials such as city council members, board members, superintendents, etc., in order to gain further knowledge about the rapidly changing industry.

Credit toward recertification for **water operators (Grades 1-4) – 5.0 hours** and **wastewater operators – 5.0 hours applied for**, for attending a day-long seminar.

Registration and Fee

Participants are welcome to preregister no later than one week before attending the workshop of their choice.

Registration also will be available at the door on location of the workshop. Fees for the workshops are **\$45** per person, which includes lunch and learning materials. Fee may be prepaid or direct billed.

To use the direct billing option, simply fill out a registration form and we will bill you or your municipality. We encourage this billing option because storms may increase the risk of cancellation.

Send preregistration to:

League of Nebraska Municipalities
